### D. H. Clark's First Sale

Those who know Dillard H. Clark are aware of his genuine interest in Shorthorn production. His present herd has been assembled over a long period of years and he has constantly relied upon a rigid system of culling plus a healthy private demand for breeding cattle to absorb his surplus.

This first sale has been planned carefully. The inauguration of an annual sales program has never been contemplated until both the size and quality of the herd were sufficient to enable Mr. Clark to assemble a first class offering.

The blood lines represented in this offering plus the individuality in type and conformation combine to offer Elkhorn customers breeding stock of the highest order. This sale will exert a most favorable influence upon the future of Shorthorns in the Southwest. This will prove to be one of the best opportunities to secure the blood that is doing the most for breed progress. Buy now, before values advance.

# The latest and most important addition to Elkhorn herd bull strength

EDELLYN RADIANT COMMAND

Edellyn Radiant Command 2024080—We have always felt particularly fortunate that we were able to pur-chase Edellyn Radiant Command although he represents an investment of \$4000. Many leading breeders have backed our judgment by calling him the most outstanding prospect for a herd bull that sold in the record breaking 1941 Edellyn auction. A large number of sale heifers will offer extra value to purchasers because they have been bred to this great young stock bull. Be sure to see him sale day and decide

now to own one of the several good females carrying his service.

## Use of sires of this type has raised the level of the Elkhorn herd.

DIVIDE PROUD GOLDSPUR

Divide Proud Goldspur—An important cog in the development of Elkhorn Shorthorns. He combined the best of Tomson and Allen breeding and left an especially attractive group of females. In addition his son, Elkhorn President, is now one of our choice stock bulls.

### About the Bulls . . .

There are only fourteen young bulls listed in this sale, but they represent blood that has been most prepotent in producing modern type, profitable Shorthorns.

Study the bloodlines carefully and you will find the breeding and the individuality that your herd needs. If possible, we shall be glad to have you visit Elkhorn Ranch before our sale.

### Three

Elkhorn President—Just the kind of a bull anyone would be proud to own for a herd sire. A marvelous combination of breed type, character and quality.

### Red

Elkhorn Masterpiece—Don't forget that this outstanding bull will be one of several features of the sale. He is a son of Imp. Cruggleton Wellington.

### Kings

Edellyn Radiant Command— Perhaps the most valuable feature of this sale will be the females that sell carrying the service of this outstanding son of Edellyn Command.

### YOU CAN MAKE A"GOOD HAND" BETTER BY DRAWING FROM THE ELKHORN OFFERING

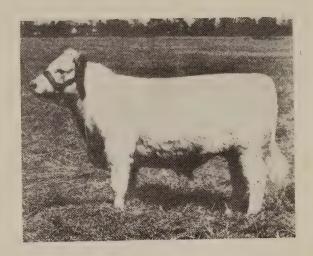

Friday, November 14th, 1941

The influence of good sires such as pictured on the opposite page pays the producer of beef cattle, whether for breeding purposes or market, a tremendous sum of unestimable value annually. The Southwest has been built largely through livestock enterprise and advancement has been made by the use of sires that could work improvement. If you need a good bull—don't put off buying.

### A 1941 champion that was bred at Elkhorn.

This is the Elkhorn bred steer that Irene Hotchkiss of Leon, Kansas showed to the Shorthorn championship at the Kansas Free Fair in the reserve grand championship over all breeds at the Kansas State Fair in 1941. He is sired by Divide Gold Coin, sire of a majority of this offering. He was also made champion Shorthorn at Wichita.

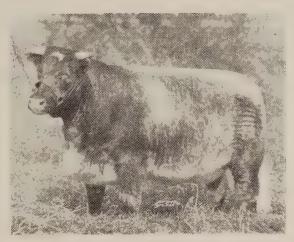

### About the Females . . .

We have gone deeply into our breeding herd to put females of breeding and individuality that will give complete satisfaction to the men who buy them. In many cases they carry the service of the best bulls we could find for service.

We believe you will agree that they are a useful, uniform lot. Moreover, they will be offered in practical, thrifty condition.

## Balance, conformation and choice quality all blend here.

Elkhorn Victoria 2d 2014292
